Stay-at-Home Garden Party

benefitting

Jewish Family Services
of Greater Orlando

This Spring, rather than spend your time attending another fundraiser, we're inviting you to celebrate the good work of JFS at our non-event event!

We're providing the flowers. You grab the lawn chair, the ice tea and relax in your backyard, courtesy of JFS! Best of all, you can stay at home - no need to get dressed up, get a manicure or find a babysitter for the kids.

As you're relaxing, please consider a donation in the amount you may have spent on attending a charity event.

Your gift will help stock the pantry with vital food, support an individual going through a difficult time, help build a family through adoption or answer the many, many calls for help.

Thank you...your generosity will help produce a bounty of goodness. Plant the seeds....help JFS bloom!
