

JFS Orlando

CELEBRATING **40 YEARS** OF SERVICE

2018 Annual Report

Jewish Family Services of Greater Orlando (JFS Orlando) was founded in 1978 to provide services to stabilize individuals and families in crisis and enhance the quality of life across generations to all members of the Central Florida community.

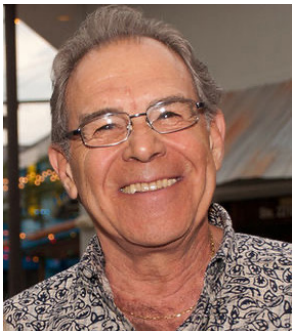

WELCOME

At JFS Orlando, 2018 marks our 40-year tradition of serving our neighbors in need. 40 years of feeding the hungry, helping to prevent homelessness, and protecting the most vulnerable in our community. We could not be prouder of the work we have done, always guided by the Jewish principles of tikkun olam (repairing the world), tzedakah (charity or justice), and gemilut chasadim (acts of loving kindness).

In 2018, JFS impacted the lives of over 10,000 people—from all walks of life. We know that any family can experience the relative pain and stress of a crisis situation. That's why the work that we do every day is so vital. We stabilize families and individuals and help give them an opportunity to thrive and reach their potential.

In this report not only will you see our community impact by the numbers, but also through the stories of Barbara, Amy, Regan, and Janice—all of which came to JFS seeking help, like so many others. We hope their testimonials demonstrate the value of JFS' work, none of which would be possible without the efforts of our dedicated staff, Board of Directors, volunteers, and YOU, our generous supporters. Thank you for your generosity in support of our work.

With gratitude and appreciation,

Dick Appelbaum
2019 JFS Orlando Board President

CELEBRATING **40 YEARS** OF SERVICE & *Tradition*

SUNDAY, APRIL 29, 2018

JFS Orlando focuses its support to the Central Florida community on four core areas:

HUNGER

MENTAL AND EMOTIONAL STABILITY

HOMELESSNESS PREVENTION

AGING AND END OF LIFE

MEET BARBARA

HUNGER

> My husband just died and I'm not working right now. We need the food to get by."

Since her husband passed away, Barbara had been struggling to make ends meet. Her mother, niece, and nephew came to live with her, but she didn't have a job and needed help to support her family. Picking back up after a loss in the family is never easy. The world keeps turning, bills keep coming, mouths still need to be fed. Luckily, Barbara heard about JFS Orlando's Pantry.

JFS Orlando's Pearlman Emergency Food Pantry fights hunger by providing emergency food assistance to individuals and families. In 2018, the Pearlman Emergency Food Pantry impacted more than 5,500 hungry individuals.

MEET AMY

Mental and Emotional Stability

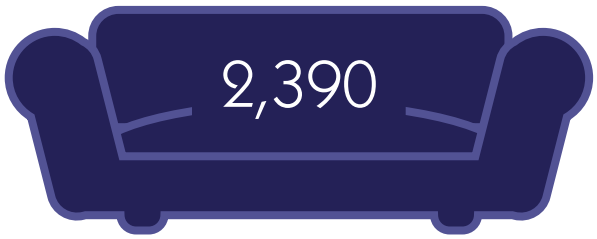

> “I was looking for help with anxiety and they did a really great job pairing me with a therapist because pretty much instantly...
>
> I felt comfortable with her. [My counselor] has made me feel like it’s going to be ok because I have her on my team. She has created a really welcoming, safe space for me to talk about very difficult, vulnerable subjects. I’m very happy to have her as my therapist. I really appreciate JFS. It’s a place where they’re gonna make sure you’re ok. That’s a really nice feeling—that people care and that people are supporting you in your community.”

JFS Orlando’s Counseling, Growth and Development Program provides individual, couples, family and group mental health counseling in a trusting, reassuring and healing atmosphere. In 2018, the program served more than 420 individuals.

MEET REGAN

Homelessness Prevention

> “I decided to participate in FSP because I thought it would be beneficial for me and my family. A good way to get on track.”

When Regan came to JFS, not only was she supporting her five children, but one of her sons was diagnosed with a medical condition. Financial issues started popping up and she couldn’t keep making ends meet. Regan’s FSP case manager helped her get organized and stay on top of her situation. Since completing FSP, Regan has started a new, higher-paying job, her son is doing better, and she finished the main part of her MBA.

JFS Orlando helps low-income families achieve stability and self-sufficiency by addressing emotional and financial needs through Emergency Services and the long-term Family Stabilization Program (FSP). In 2018, these efforts supported 558 families.

MEET JANICE

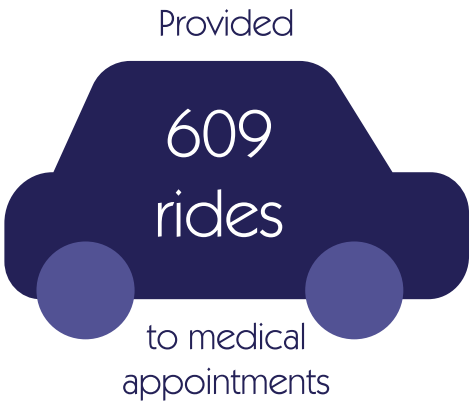

Aging and End of Life

“It was a gift from God. It saved our lives.” Janice lives in senior living apartments and is on a tight budget.

She was struggling to find reliable and affordable transportation to her doctor appointments until, one day, the JFS RIDE Coordinator visited her apartment complex. Janice was so grateful to participate in RIDE! Soon after, she also signed up for the Holiday Meal Delivery program. Volunteers visited her a few times a year around the holidays to deliver a meal and some goodies. Both programs helped Janice stay on budget and meet her vital care and needs.

Through the Reliable Independent Drivers for the Elderly (RIDE) program, the Holiday Meal Delivery program, and the JFS Community Rabbi, JFS Orlando addresses the needs of seniors, the sick, and the disabled in the community.

Thank you to our 2018 donors who make our work in the community possible!
